

CHECKING OVER PART OF THE STOCK—La Foy Patterson, president of the Hamlin Riding Club, is looking over the first load of wild horses that were brought to town Monday for the Junior Rodeo here

Big Parade to Launch Junior Rodeo Aug. 11

A parade at 4 p.m. Thursday, August 11, will be the opening event of the Junior Rodeo being sponsored by the Hamlin Riding Club. Sheriff's posse and riding clubs have been invited to be in the parade and trophies will be awarded to first and second place. Floats, rodeo performers and individual entries will also be included in the parade which will be led by the Hamlin High School Band. The parade will form at the ball park and go east to South Central and then north to Lake Dr., L. A. Johnson and Dr. E. J. Hawkins are in charge of parade arrangements.

The second annual rodeo, with performances at 7:30 on Thursday, Friday and Saturday nights will be held at the Hamlin Riding Club Arena.

More than 100 contestants participated in last year's rodeo and a good crowd is expected to be on hand for the performers this year. The rodeo is for youngsters 19 years of age and under.

Entry blanks have been mailed to last year's contestants and others may get blanks from Cliff Reynolds at Reynolds Drug, Mrs. LaFoy Patterson or Mrs. Herman Wood.

Entries must be in by noon

on Thursday, the opening day of the rodeo.

La Foy Patterson, president said that bulls and some horses will be furnished by Roland Reed of Fort Worth and other stock will be handled by the riding club.

Events include two go-rounds in bull riding, bareback bronc

riding, sponsor's contest for girls 15-19, pole-bending race, tie-down calf roping, ribbon roping breakaway roping, open barrel race for 14 and under, and a special one go-round greased pig race.

Two saddles will be awarded, one to the best all-round cowboy and one to the best all-

round cowgirl. To be eligible the young people will have to enter at least two events.

New bleachers have been added through the donations made by Hamlin businesses and the seating capacity has been increased greatly. Five new sections have been added to the section which was used last year and 600 persons can be seated this year.

Work on erecting the bleachers which are wood with steel supports began this week.

Admission prices are \$1 for adults and 50c for children. A concession stand will be open on the grounds will sell cold drinks and sandwiches.

AUTO CARAVAN SET MONDAY AND TUESDAY BOOSTING RODEO

A group of Hamlin citizens will make up an auto caravan which will visit towns in the area Monday and Tuesday to boost the Junior Rodeo which will be held August 11, 12 and 13. The rodeo is sponsored by the Hamlin Riding Club.

The caravan will form at 8:30 a.m. on Third Street heading east between Avenue A and B and move south on South Central leaving Hamlin at 9:00 a.m.

Monday's schedule includes the following towns: Abilene, Merkel, Trent, Sweetwater, Roby, Rotan, Jayton, Swenson and Aspermont.

Tuesday the group will tour

Anson, Lueders, Avoca, Stamford, Haskell, Weinert, Monday, Knox City, O'Brien, Rochester, Rule, Sagerton and Old Glory.

Plans Made for Decorations for Junior Rodeo

The city of Hamlin will take on a festive air for the Junior Rodeo if the plans of the Hamlin Riding Club, the Trade Development Committee of the Board of Community Development and the Freeman Decorating Company of Dublin prove successful.

The decorating company will contact the local merchants this week to put banners and other decorations on their store fronts and the streets.

The decorations will go up this weekend and will remain up until after the rodeo next week.

DePRIEST TO OPEN MONDAY

I. J. Starr, principal of the Oscar DePriest School and C. F. Cook, superintendent of the Hamlin Schools announced this week that the DePriest School will open on Monday, August 8, at 8:30 a.m. This early opening is due to the fine prospects of crops in this area. There will be several weeks of school and when the proper time arrives for cotton picking, the school will be dismissed so the children might assist their parents, and also the farmers in the community.

New students are required to have transcripts from the school they last attended.

All children starting to school in the first grade must have birth certificates.

LELDON CLIFTON NEW DIRECTOR OF F-M BANK

Leldon Clifton, who with his brother Floyd recently purchased stock in the Farmers and Merchants National Bank here, has been named a director and vice president of the bank at a recent Board of Directors meeting.

Floyd was named director and vice president in earlier action by the Board.

Leldon, 44, was graduated from Ballinger High School and Hardin-Simmons University in Abilene with B. S. and M. A. degrees. He graduated with the 1939 H-SU class. He taught school at Deer Plains, Callahan County, from 1935 to 1937 and at Smith, near Merkel, from 1937 to January, 1941.

He spent three years in the Air Force in World War II as a navigator instructor. He was with the Imperial schools nine years. He resigned as Superintendent there in 1950 to take the superintendency at Rotan. After a year at Rotan, he became superintendent at Iraan. He was listed in Who's Who in American Education in 1959-60.

Clifton helped organize and is now a director of the Iraan State Bank. He was one of the organizers and a director of Trans-Western Developers, a real estate developing company at Lubbock in which he is still interested.

He was married to the former Kenna Rector of McCaulley, who graduated from Hamlin High School and H-SU. They have two children, Leldon Lewis, 8, and Jim, 6.

14 Blocks Signed For Street Paving

Fourteen of the blocks needed to get the paving program underway have been signed with Hamlin Jaycees who are just getting started in their survey of the town.

The Jaycees are concentrating on the north-west residential area and when this is completed they will take another part of the city. Max

Murrell, chairman of the project for the Jaycees, said this week that due to the urgency of the program home owners who would like to have their

street paved should contact him or the City Hall and obtain the papers necessary to sign up the block and not to wait for the Jaycees to get to them.

Under the terms approved by the City Council the paving will cost \$2.00 per front line and the curb and gutter \$1.35 per front foot. The city has a financing plan available for those needing one. The terms of the plan call for four per cent interest and to be payable in 48 monthly installments. Because of the limited amount of money available for loans it is requested that this be used as a last resort.

Murrell stated that 58 Jaycees will work on the project and that they hope to sign up as many blocks as possible within the next week in order that bids can be let and the paving started so that the work can be finished before the weather gets too cold.

TWO MEN HURT WHEN MOVING VAN UPSETS

Richard Jewel Smith, 32, and his step-son, George Huffman, Jr., 17, of Amarillo are improving at Hamlin Memorial Hospital following an accident early Tuesday morning when the moving van in which they were traveling hit a bridge and turned on its side.

The accident occurred five miles southeast of Hamlin on U. S. Highway 83 about 2 a.m. Both men were thrown from the vehicle and Smith was found unconscious close to the highway. They were taken to the hospital by Hamlin Funeral Home ambulance.

Smith suffered mild head injury, abrasions and bruises. Wednesday his condition was reported as good.

Huffman, more seriously hurt, sustained head injury, cuts, bruises and abrasions. Mrs. Smith and her daughter, Huffman's twin-sister came from Amarillo Tuesday.

Mr. and Mrs. Darwin Barnes made a trip to Oklahoma City Thursday to visit his mother, Mrs. Mary Endicott, and from there to Wewoka, Oklahoma, to visit her mother, Mrs. W. F. Eanens. Mrs. Eanens came back to Hamlin with them for a visit.

Mid-West Electric Annual Meeting Today at Roby

The annual meeting of the Midwest Electric Cooperative will be held at the Fair and Rodeo Arena in Roby today, (Thursday).

The members of the cooperative will gather at 6:00 p.m. for a barbecue. This is an annual affair and the members have been turning out for this occasion in ever increasing numbers.

The business is scheduled to get started at 7:00 p.m. with annual report of Manager Johnnie Ammons on the financial election of the cooperative. There will be other reports which will precede the election of the Board of Directors to guide the affairs of the cooperative during the coming year.

Arrangements have been made for a full length motion picture film to be shown, for the children, in the agriculture building during the business session. Also on the agenda is a special entertainment act featuring Ruwe and Louie, noted ventriloquist from Kansas City, Missouri. There will be attendance prizes for the members at the registration booth and prizes will also be given throughout the meeting.

Manager Johnnie Ammons states that the Board of Directors has estimated that at least 2300 people from the nine county area served by the cooperative will be present for the meeting. The counties are Fisher, Scurry, Nolan, Mitchell, Borden, Garza, Kent, Stone-wall and Jones.

The lines were first put in service in October, 1939. In addition to giving service to subscribers in this area 2,550 oil well pumps and 167 irrigation pumps are being powered by Midwest.

LOCAL MAIZE HARVEST SLOWED BECAUSE OF MOISTURE CONTENT

Although some of the area's farmers started cutting maize this week, most of them have stopped because of the heavy moisture content.

The grain that has been bought up to now by Hamlin grain dealers has been running from a little over 13 per cent to around 16 per cent. Those whose grain is running over 15 per cent have stopped cutting. The heavy July rains have caused suckers to form on the maize and this is causing the high moisture content.

Local dealers expect the harvest to pick back up in September unless there is heavy rainfall between now and then.

The grain is bringing \$1.35 here. The government loan price is not known here yet, but is expected to be less than the prevailing price.

Most of the harvest up to now has been in the area east of Tuxedo and since it is mostly spot cutting it is too early to determine the average yield. At this time it is expected to run from 1,200 to 1,800 pounds per acre.

For the grain to go into the government loan it must have a moisture content below 13 per cent. Local dealers are buying it up to around 15 percent.

Over \$100 Stolen Monday Night from Hawkins Implement

Around \$100 was stolen from Hawkins Implement Company sometime Monday night. Entry was gained through a window in the rear of the building.

The money was taken from vending machines and a drawer but the burglars missed \$35 in another opened drawer. Also taken were two transistor radios.

Chief of Police, J. L. McCurdy said Tuesday that several sets of fingerprints were found. Although no damage was done in the building, records and papers had been scattered.

Soil-Cement Road Base First Used in Early 30's

Editor's Note: The following report is reprinted from the Portland Cement Association's "Cement and Concrete Reference Book" in an effort to acquaint our readers with the paving method selected by the City Council to be used in the proposed paving project.

The year 1960 marked the twenty-fifth anniversary of the first scientific controlled soil-cement road built in the United States. This road, a 1½ mile stretch of experimental pavement near Johnsonville, S. C., is still satisfactorily carrying traffic, which has increased far beyond the amount expected when the road was built.

Soil-cement is a tightly compacted mixture of soil or road-way material, portland cement and water, that forms a strong durable pavement base as the cement hardens the soil. A bituminous surface is placed on the soil-cement base to complete the pavement.

Mixing soil and portland cement together to make a pavement base was a revolutionary idea to many engineers in 1935. But it proved to be a method-long sought after of stabilizing roadway soils to produce a truly satisfactory low-cost pavement.

Now soil-cement is widely used to pave roads, residential streets, airports and parking areas. Because of its success in three fields, its area of use has been expanded to include canal and ditch linings, dam facings, and subbases for concrete pavement.

Soil-cement was developed after years of research and engineering study. Early work was done by the state highway department of Ohio, Texas, Iowa, South Dakota, California and South Carolina. Experi-

ments with soil-cement mixtures by the South Carolina Highway Department produced particularly encouraging results that led the Portland Cement to undertake an extensive research program, starting in 1935.

The objective of the program was to develop an adequate paving material with a cost low enough to fit the requirements of roads and streets on which the volume of traffic was too small to justify use of concrete pavement or for which available construction funds were limited.

In 1938 the PCA won the American Trade Association Executives' Award for its work in further development of soil-cement. The award is made annually to the trade association that has rendered the most outstanding service to its industry as a whole and to the public.

Soil-cement generally is built from soil on or near the paving site. Old, deteriorated granular-base materials can also be used. Only cement and water need be hauled in.

Because soil cement is compacted.

Marion Carter First to Identify Mystery Farm

Marion Carter of Route 2, Hamlin, correctly identified the farm belonging to Mr. and Mrs. Raleigh Reynolds as the "Mystery Farm" of the week. He will receive a six months subscription to the Herald.

Others who identified the Reynolds farm were: S. A. Teague, Mrs. E. G. Young, Hub Hopper, Bill Shira and Everett Gibson Jr.

Mrs. Reynolds was the third person to call to identify her own farm.

Bill Shira was first last week to identify the I. E. Smith farm.

MYSTERY FARM OF THE WEEK

Whose farm is this? If you can identify the farm pictured above call or come by the Herald office. The first one identifying the farm will be given a free six months subscription to the Herald. The operator of the mystery farm will receive a beautiful mounted enlargement of the original photo, if he will call at the Herald office.

OFFICIALS NAMED FOR JUNIOR RODEO BY HAMLIN RIDING CLUB

Officials and committee members named to handle the affairs of the rodeo are:

Registration—Cliff Reynolds Jr., Mrs. Herman Woods and Mrs. John D. Ferguson.

Publicity—Mrs. L. A. Johnson, Mrs. Johnny Waldrop, Ben Turner and L. A. Johnson.

Programs—Mrs. J. C. Turner and Mrs. La Foy Patterson. Official Hostesses—Mrs. W. T. Johnson, Mrs. Don Elmore and Misses Rebecca Ferguson and Lou Ann Hawkins.

Admission Gates—W. T. Johnson, Wesley Nail, J. C. Turner, Orville Roland, Johnny Waldrop and William S. Wilcox.

Parking—Herman Woods, John Kent Jones, Vernon Harris and T. P. Turner.

Concession—Mrs. L. A. Johnson, Mrs. L. C. Bonds, Mrs. Roy Kelley, Mrs. Kenneth Seifres, Mrs. Thomas Ferguson and Mrs. Mrs. John Kent Jones.

Arena and Stock—Pick up men: L. A. Johnson and Steve Reynolds.

Flag Man: L. C. Bonds.

Roping Calves: Ed Bran-

scum, Roy Kelley, Don Elmore, and H. W. Nelson.

Barrier Men: J. L. Blanton and Ben Turner.

Bucking Chute: Kenneth Seifres, Bennie Carroll, Charlie Turner, Doug Butler and Marion Carter.

Unrigging Chute: Joe Bonds and Ronald Carter.

Untying Calves: George Bonds, Jimmy Hawkins, Jim Bond, Dennis Kelly and Tommy Ferguson.

Arena Lower Gate: Alton Long.

Arena Front Gate: Sol Branscum.

Time Keepers—Jimmy Vaughan, D. C. Andrews, Dr. E. J. Hawkins, John D. Ferguson and Neil Laminack.

Announcers—J. N. McGinnis and B. V. Newberry.

Judges—Jack Willingham and Fred Dalby.

Crowns—Tommy Bonds and Larry Upshaw.

Seating—Robert Johnson, Johnson and Jess Young.

Ambulance—Bill Foster.

CECILIA ALBRITTON HONORED WITH GIFT TEA HERE TUESDAY

Cecilia Albritton, bride-elect of Joe Donald Cowan, was honored with a gift tea in the home of Mrs. W. A. Albritton, Mrs. W. L. Boyd, both grandmothers of the bride, and Mrs. Wright J. Boyd of Lamesa, aunt of the bride.

The tea table was covered with a white satin cloth overlaid with white net trimmed in gold. The centerpiece was an arrangement of white gladiolus and carnations in a silver and crystal centerpiece. Other appointments were in silver and crystal.

Mrs. Phil Sparkman of Sweetwater and Mrs. Leon Thurman of Anson, both aunts of the bride, poured punch.

Jan Albritton registered the guests. Other members of the houseparty were Mrs. Joe Ray Rosenbaum of Pampa, cousin of the honoree, Judy Parker, Mary Ann Williams, Dotty Albritton, Carolyn Templeton of Sweetwater, Mrs. Wright G. Boyd of Lamesa, cousin of the bride and Mrs. Benny Watson.

Approximately 110 people attended the Jones County 4-H Club Dress Revue tea that was held on Thursday at 2:30 at the Anson First Baptist Church Fellowship Hall with 20 girls modeling skirts, skirts and blouses, and dresses.

Karolyn Bagley of the Anson 4-H Club was the winner of the senior girls division. Sandra Garrett of Lueders was second place winner and Phyllis Roberts was third.

Karolyn is the daughter of Mr. and Mrs. Woodrow Bagley. She will enter the District III Dress Revue in Wichita Falls on August 19 on competition basis with the other 15 District II County Winners.

Sharon Blessing of Hawley was the first place winner in the 12 and 13 year old group. Cheryl Rister was second and Helen Ruth Howle was third. Sharon is the daughter of Mr. and Mrs. Bill Blessing. She will model her skirt and blouse with the other junior winners of the district at the district dress revue in August.

Lou Ann McCoy of Hawley was the winner in the 9, 10 and 11 year old group. Diane Morrow was second and Bonnie Blessing was third.

Mrs. Howard Roberts, a 4-H adult leader, gave the welcome and introduced guests. Mrs. Judy Deatherage, another 4-H leader was commentator. Mrs. D. C. Rister Jr. and Mrs. Cliff Rister Jr. and Mrs. Cliff Garrett served as chairmen of the decorating and refreshment committee.

Mary Y. Newberry, Jones home demonstration agent, presented the entry awards and ribbons.

Judges were Alice Kemp, the Fisher County Home Demonstration Agent and Mrs. Agnes Marrs, Kent County Home Demonstration Agent.

DePriest Principal Returns from Busy Summer Schedule

I. J. Starr, principal of the Oscar DePriest School returned to Hamlin Sunday to begin preparations for school opening Monday. (Aug. 8)

Mr. and Mrs. Starr left Hamlin May 30 and visited in Tyler. During the month of June, Starr worked with Boy Scouts and Explorer Scouts at Taylor to help them prepare for the Boy Scout jamboree held in Colorado Springs, Colorado last week. He worked with several groups. During the program he worked with 435 boys.

July 11-16 Starr attended a Sunday School and Baptist Training Union Conference in Marshall.

The last week of July he went to Tuskee, Ala., for the annual national American Teachers Association meeting. Starr was elected state secretary for the state of Texas during the three day meet.

From Alabama he went to Houston for a two day conference for secondary school principals and college professors. The purpose of this meeting was to coordinate the high school curriculum with the college curriculum.

Mrs. Starr, who stayed with her mother, Mrs. Lutisha Moss, in Tyler returned with her husband Sunday.

Two From Hamlin Receiving Training At Fort Chaffee

Fort Chaffee, Ark.—Receiving refresher training from the 95th Division at Fort Chaffee this summer are two from Hamlin, Texas.

The Hamlin citizen-soldiers are among the 2,200 Army Reservists called to active duty for two weeks in a "practice mobilization to test the ability of the Nation's reserve forces to process, equip, and train large numbers of soldiers in a short period of time.

Conducting the training camp are officers and men of the 95th Division, ranked as the No. 1 reserve training division in the country. The 95th Division is composed of reserve units in Arkansas, Louisiana and Oklahoma.

The Division is training non-unit reservists from Oklahoma, Texas, New Mexico, Arkansas and Louisiana.

The reservists attending the session are: Gerald W. Tabb, Co. F, 95th; Herbert E. Johnston, Co. C, 377th.

MISSILE FIRING BATTERIES TO HOLD OPEN HOUSE, FRIDAY

US Air Missile Firing Batteries near Abilene will open to the public their two new Air Defense Sites on August 5th and 6th. Captain Keith B. Verbure commands the North Missile Site located on FM Road 1193 on the west side of Ft. Phantom Lake. Captain Elgin L. Eskridge commands the South Missile Site located on the San Angelo Highway 277, 6 miles south of View. The sites will be open for visitors on Friday, August 5th, from 10:00 AM to 7:00 PM and on Saturday, August 6th, from 10:00 AM to 5:00 PM.

Lieutenant Colonel Joseph P. Guinn, Commander of the 5th Missile Battalion (NIKE-HERCULES) 517th Artillery, said that sites, protect more than 29 Texas counties covering 18,000 square miles against airborne attack.

Visitors will be shown a film of missile firings against aerial targets and will spend about an hour touring the buildings and tactical equipment. On display will be NIKE-HERCULES Missiles, radars, fire control equipment and Sentry Dogs used for guarding the equipment. Full explanation of the equipment will be given. Photographs will be permitted.

The two missile sites were built by the B. J. Browning Construction Company of San Antonio at a cost of \$3,500,000.

Over 225 men and officers are stationed at the two sites to keep the missiles ready 24 hours a day. In February, 55 men from Central Texas enlisted and are now serving with this battalion.

Over 250 US Army Air Defense Command missile firing batteries protect the United States against air attack. The NIKE-HERCULES Missile with a nuclear capability has been noted for its ability to defeat every airborne target it has fired upon and has a 85% kill record. It has destroyed targets lying over 100,000 feet high and traveling at speeds in excess of 2100 MPH. The NIKE-HERCULES Fire Control Equipment continuously commands the missile to change direction until it gets close to the target and then bursts the missile. The missile is traveling so fast and is so maneuverable that it can out maneuver any airborne craft or missile known today or planned for the future. It has destroyed supersonic ballistic missiles.

Lt. Colonel Guinn urged as many as possible to take this opportunity to visit their Community Air Defense Missile Sites.

Invaders Release Schedule - Balance of 1960 Season

The Hamlin Invaders were defeated Sunday by Stamford 10-9, in a game played in Stamford.

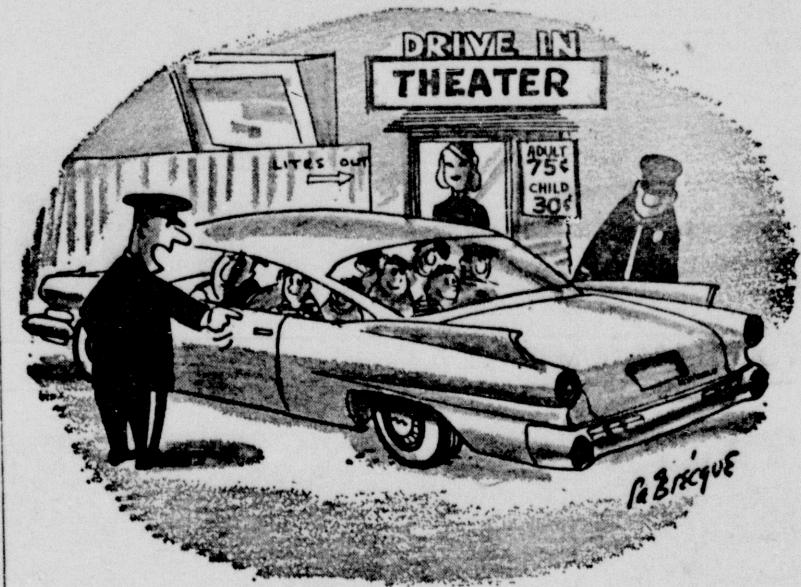

All of the games to be played for the balance of the season will be played at home.

August 7, Sango, here.
August 14, Grand Field, Oklahoma, here.

August 21, Graham, here
August 28, Lubbock, here
September 4, team not selected yet.

In the final game no admission will be charged and the fans are requested to bring gifts and donations for the players.

Mrs. W. D. Sasser, Angela, Howard, Lottie and Jonathan of Vivian, La., is visiting her brother, J. B. Martin and family.

"WE JUST GOT AN ANONYMOUS CALL FROM YOUR NEIGHBOR. WOULD YOU OPEN YOUR TRUNK?"

JOE HOPKINS HIRED AS COACH BY MCCAULEY HIGH SCHOOL

By DIXIE BOYD
McCauley welcomes a new coach, Joe Hopkins of Gretna, Louisiana. Mr. Hopkins is married and has one child. They plan to move to McCauley about August 20. He is Mrs. George Deckers half brother.

Mr. and Mrs. Frank Kemp and son, James Franklin visited Mr. and Mrs. Guy Kemp of Roby last night.

Mrs. George Maberry, Smitty and Betsy have returned from a trip to Nevada.

Mr. and Mrs. Frank Kemp Max and Ann have taken Mrs. Ben Kemp to Ponder to visit Mrs. Ben Kemp's daughter, Mrs. Scott Lee. Ann Kemp also stayed at Ponder and will be home this weekend.

Mrs. Fred Kemp has been hired to teach commercial subjects this year.

Mr. and Mrs. Lon Andress and family have gone to Denver, Colorado to take their daughter, Frankie Jo, home. Frankie has been visiting her parents this week and also attended the

Brown reunion at Comanche.

Mrs. Louis Boyd was visited this week by her sister, Miss Sallie Williams of Dallas. Miss Williams is a private nurse at Baylor hospital. Mrs. Boyd and Miss Williams have gone to Chillicothe this week to visit another sister, Mrs. Porterfield.

Mrs. T. H. Boyd had Sunday dinner with Mr. and Mrs. Ross Gruben, Mr. and Mrs. James E. Lawlis, Randy, Kenny and Keith. The Lawlis family returned to Tatum, N. M. Monday.

Mr. and Mrs. Bob Rister and Judy visited in the T. H. Boyd home Friday night.

The daughter of W. W. Bridget, Mrs. Mac Killit and her two daughters, Jill and Jan, of Houston arrived Monday to visit Mr. and Mrs. Luther Harris.

Mr. and Mrs. Bob Center announce the birth of their son, Jon Robert. He arrived on July 19, weighing 5 pounds and 9 ounces.

RALEIGH REYNOLDS FARM
... Nine miles west of Hamlin

PRESENT OWNERS OF MYSTERY FARM HAVE LIVED ON THE PLACE SINCE THEIR MARRIAGE

The "Mystery Farm" picture in last week's Herald is owned by Mr. and Mrs. Raleigh Reynolds and they have lived there since their marriage in 1933.

Reynolds bought the farm in 1941 from his father, the late Mr. W. S. Reynolds, who had owned the 320 acre place since

1916, buying it at that time from the Redus family.

The farm, located nine miles west of Hamlin, with 209 acres in cultivation, features row crops of wheat and cotton. Contour farming is one of many soil conservation practices that Reynolds uses on the farm. The Reynolds also farm 200 acres which is owned by Mrs. H. E.

Redus. They feed a few Jersey cows for their home milk supply.

Mrs. Reynolds is the former Buena Smith of Hamlin. She and her husband were married January 21, 1933, in Rotan. They have four children, Larry of McCamey, Mrs. Joe (Allene), Dean of Sanderson and Steve and Warren of the home. They also have three grandchildren.

Steve is employed by Mobil Oil Company.

Warren, a junior in Hamlin High School, participates in the Future Farmers of America and is raising hogs for a project.

The couple enjoy fishing and Mrs. Reynolds likes to crochet. They are members of the Nazarene Church.

Mrs. Dorothy Bourillion of Fort Worth visited her mother and brothers, Mrs. B. H. Gardner, Harry, northeast of Hamlin, and Mr. and Mrs. Edward W. Gardner of Hamlin, over the weekend.

Mr. and Mrs. Max Burleson Jr. of Rotan, are the parents of a son, Garold Lynn. He arrived July 24, weighing 8 lbs. and 8 ounces.

VISITING HIGHLIGHTS NEWS FROM FAIRVIEW

By MRS. ELMER JOINER
The revival at Fairview Baptist Church closed Sunday night. Good crowds attended, many visitors were welcomed for the ten day meeting.

Rev. Bill Bowman had to leave after services Friday night, in order to be at his own church Sunday in Corpus Christi. The pastor's father, Howard Combs, brought a layman's message Saturday night and the pastor, Rev. Doyle Combs, filled the pulpit both services Sunday.

Friday night after services watermelon was served and if anyone didn't get all they could eat, it was their fault, because the watermelons were plentiful.

Among the many visitors at the revival last week was Steve Ateek, Thursday morning and Friday night. Steve is a student at Hardin-Simmons from Nazareth, Israel, but is working at

the Baird Atlas Missile Site this summer. The Fairview people feel like Steve is an adopted son and they are always glad to see him and to be of any help they can to him.

Mrs. George Wainwright had surgery at the Stamford Hospital last Tuesday morning and remained until Friday.

Arriving from San Fernando, California Thursday, were Mr. and Mrs. Doyle Gray and children, Allen, Kenny and Gail. They are former residents of this community and are visiting his brother, W. O. Gray and other relatives including his father, E. C. Gray of Truby.

Teresa Gabriel, arrived home last week from Tucson, Arizona where she visited her aunt, Mrs. J. B. Terrell and family.

Mr. and Mrs. Mel Jones and Mrs. Elmer Joiner visited Mrs. George Wainwright in Stamford Hospital Thursday afternoon.

Mr. and Mrs. W. W. Goodwin and Linda ate lunch Sunday with Rev. and Mrs. Doyle Combs and children.

Mr. and Mrs. Bill Newland have had their daughter's family, Mr. and Mrs. W. A. Finnis and Cathy from Houston, for a visit. Last weekend they all went to Pecos for a visit with the Charles Newland family.

Those eating lunch with Mr. and Mrs. Buck Richey last Thursday were: Mr. and Mrs. Monroe Potter, Anson, Rev. and Mrs. Doyle Combs and Johnny, Rev. Bill Bowman, Steve Ateek of Clyde and Connie, Della and Maude Drake.

Mr. and Mrs. Helmer Carter from the Hanna community, visited with the Winston Grays Sunday afternoon.

Mr. and Mrs. Runt McCoy, Kay and Larry visited Mr. and Mrs. Elmer Joiner Sunday afternoon. The McCoy's have just returned from a trip to Chicago where they visited an old army buddy of McCoy's, Larry, an ardent baseball fan, reports getting to go to three baseball games, two in Chicago and one in St. Louis.

Howard Combs of Loraine spent Saturday night with his son, Rev. Doyle Combs and family.

Mr. and Mrs. Mel Jones visited with John Turner Sunday night.

G. W. Wainwright and Ethel are visiting another daughter, Mr. and Mrs. Ben Whitaker in Jolly, Texas.

Everyone in the community is busy at this time, the men are working hard to lay their crops by.

THE HAMLIN HERALD

Thursday, August 4, 1960

I see by the papers where a woman filed suit for divorce because her husband was careless about his appearance. He hadn't shown up in nearly two years.

COULD IT HAPPEN ON YOUR FARM?

All fires are unexpected. But you can forestall financial loss by means of insurance coverage that is commensurate with today's value of your property.

Rev. R. D. Rhoads To Hold Revival At McCaulley

The summer Revival meeting of the McCaulley Baptist Church begins Sunday, August 7, and will continue through August 14, according to the pastor, Rev. Huron A. Polnac, Jr.

Rev. Roy Don Rhoads, pastor of the First Baptist Church of Goree will be the Evangelist. A graduate of Hardin-Simmons University, Abilene, Rev. Rhoads is a senior student at Southwestern Baptist Theological Seminary of Fort Worth.

The morning services will begin at 10:00 o'clock and evening services at 8:00 o'clock.

John R. Mayfield, a 1959 graduate of Southern University, Houston, is also a graduate of the DePriest school. He is the first local graduate to return and join the faculty. He is the son of Mrs. Thea Brown. He will teach the fifth and sixth grades.

Returnees are Mrs. Dolyle P. Gilbert, who will teach the first grade; Mrs. I. J. Starr, second grade; Mrs. Oda L. Mosley, third and fourth grades; Noble B. Canida, seventh and eighth grades and music; Dee Waggoner, science and coach; Mrs. Wilmuth Butler, English, Principal Starr, math.

Rev. Neagle to Hold Revival at Rodgers

Rev. Audley A. Neagle of Hamlin, pastor of the Rodgers Baptist Church, 20 miles south of Abilene, will conduct a revival there August 7-14.

Hill Smith of Hamlin will direct the singing. Prayer services will be at 7:30 p.m. with preaching services at 8:00 p.m.

THE BIG CHANGE IS TO flameless Electric COOKING

BRING YOUR KITCHEN UP-TO-DATE WITH A **MODERN** flameless Electric RANGE

YOU'LL BE PROUD of your kitchen when you switch to flameless Electric Cooking. Nothing does so much to bring your kitchen up-to-date as a MODERN Electric Range. And once you've used easily-controlled Electric Heat—as safe and clean as Electric Light—you'll never go back to the work and worry of old-fashioned flame cooking. Perhaps this is why, nationwide, the sales of Electric Ranges have jumped so fast—proof, of course, that the big change in All-Electric Living is sweeping the country! Buy your new Electric Range now from a local appliance dealer or WTU and it will be installed FREE under the new wiring plan.

New FRIGIDAIRE *Flair* Electric Range

Most glamorous range — they look built-in, but aren't! The new FLAIR models glorify any kitchen with built-in glamour. And just slide a FLAIR (cabinet and all) into the place of your present range. No carpentering. No tearing up your kitchen. Incredible! It's true!

You'll feel like a queen!

Frigidaire FLAIR electric range glorifies any kitchen — new, old, large or small. We just slide your old range out (giving you our big, big trade-in allowance) and slide FLAIR, cabinet and all, in its place. No carpentering, no plastering, no tearing up your kitchen. FLAIR looks built-in, but isn't!

And FLAIR Custom Imperial models give you these already famous Frigidaire cooking advances!

- * Cook-Master, Automatic Oven Control — just set it! When you come home from shopping, dinner's done!
- * Heat-Minder Surface Unit — watches temperature automatically, prevents scorching.
- * Spatter-Free Broiling — exclusive Radiant Wall Broiler Grill keeps spatters in and oven-cleaning light.
- * Automatic Meat Tender — dial the "doneness" of roasts.
- * Speed-Heat Surface Unit — for fast heat when seconds count.
- * Simplified Controls — and clutter-free control panel.

Costs little or no more than other first-quality electric ranges.

FOR AS LITTLE AS
\$13.27
PER MONTH

FREE WIRING
(220 Volt)
Installation on ranges, water heaters, and clothes dryers purchased from local electric appliance dealers or WTU.

Big Carnival in Hamlin, Near Depot

There has plenty to entertain the people of Hamlin this week in our little lively city. The big carnival of Clark's shows now occupies more than a full block extending for a block north of the A&S Depot. The grounds are ideal for an attraction of this kind—near the railroad, near the paved Avenue, and streets on all sides and the best of all there is no sand or weeds, but clean level ground. Clark, the manager and owner, is a modest young fellow and leaves the impression that he is very anxious to keep up a high class show as far as a carnival can attain. The entire outfit, including the Merry-go-round, the concessions and the shows, all look new and well kept. So you should be satisfied with Clark's if it is Carnivals that you like.

HIGHLIGHTS AND SIDELIGHTS

By Vern Sanford
Texas Press Association
AUSTIN, Tex.—If the bracketish, "hard as bricks" water common to many parts of West Texas can be made suitable for domestic use, Texas' available water supply would be materially increased.

To this end, the State Water Board has approved a de-mineralization is not necessary be carried out by the board. University of Dallas and Texas Electric Service Co. Board will put \$20,000 into the work.

Board engineers say total demineralization is not necessary and that it is possible the process can be accomplished at an economically feasible cost.

In another move to increase available water, the Board has set a series of hearings on cancellation of water appropriation permits that have not been used. First 10 of the permits to be reviewed are scheduled for hearing Sept. 22. Some of the permits date back as far as 1918.

DPS ASKS BOOST—With more traffic to patrol and more crime to fight, the Department of Public Safety will ask the next Legislature for money to increase its staff.

Col. Homer Garrison Jr., DPS director, has presented a budget calling for \$16,461,260 for 1962 and \$17,720,166 for 1963. This compares to \$12,420,490 allocated to DPS for this year and \$13,353,272 for the new fiscal year beginning Sept. 1.

Requested increases would allow the addition of 200 new highway patrolmen, 10 Texas Rangers, four narcotics agents and four intelligent agents.

Supporting his request, Garrison made this grim forecast: 29,000 more major crimes will be committed in Texas in 1963 than in 1959. This is apparently a continuation of the trend which saw major crimes rise 45 per cent in the past five years, rising to 175,851 in 1959.

PAROLE EXPANSION SOUGHT—Texas Board of Pardons and Paroles has a plan for saving the state some money.

But to do so, the Board says it will need some money to invest in enlarging the state's staff of parole supervisors. Since the paid parole system got under way in 1958, the Board says it has saved the state \$3,000,000. It costs that much less to pay a supervisor to keep tab on a parolee than it costs to board and clothe a pris-

25 YEARS AGO

Two More Good Oil Wells in Area

Two more good wells prove that more drilling is sure to follow.

The first thing the Herald "rouster-bout" did this week was to hike out bright and early on an inspection trip to the Hamlin Oil Fields about six miles from the town in Fisher County.

Some days ago the General Crude Oil Company completed Mrs. Bledsoe's third oil well and the first swabbing showed the product to be a well of an easily 600 barrels.

The E. Z. Williams well came in and is supposed to be around an 800 barrel producer. For weeks the Southern Oil Corporation has been drilling on this farm just across the road of the Pardue farm and producing wells.

15 YEARS AGO—

M-Sgt. Herman Treadwell Returns Home

August 3, 1945

After four long years, eight months and six days in the famous 36th "Texas" Division through its training in several camps in the United States, across the ocean, across North Africa up into Italy, Salerno, Anzio, Rome, Southern France, German, Austria, and a flight by plane across the Atlantic to Florida, and finally back to Hamlin is a pretty big gap in the life of S-Sgt. Herman Treadwell.

Herman landed in Africa, at Oran, and from then on wherever the 36th went, he was in there with the field guns. It would have taken many pages to give all this history, but as evidence of his service, he has the Good Conduct Ribbon, American Defense ribbon, the ETO ribbon with the Arrow-

head and five bronze stars.

Sgt. Weldon J. Hudson is home after serving time helping to finish a cleanup job in Hitler land. He is visiting his mother and sisters and will return to Camp Cook, California, September 3.

A small black and white Shetland Pony has strayed. Will appreciate information and will pay reward. Phone 127. Holly Toler.

The Lewis Wheat Co. of Albany is to operate an extended Butane Service in Hamlin with W. H. Butler as Hamlin manager.

Pfc. W. T. Lawlis and wife are on their delayed honeymoon. Yes, W. T. has arrived from Germany, so they have left the children with their parents and have taken that honeymoon.

oner and make relief payments to his family.

The Board feels it needs a 70-man parole staff, rather than the present 40—to do the job. For this, the Board is asking an appropriation of \$1,466,819 for the next two years. This is an increase of \$480,863, or nearly a half-million dollars, over the present biennium's appropriation.

Board contends this extra investment will save the state \$2,500,000 in prison costs, plus offering a better chance of returning more men to useful, law-abiding places in the community.

OIL FLOW UNCHANGED—Texas Railroad Commission has announced an eight-day producing pattern for the Texas oil industry in August—the same as for July.

Daily allowable will be 2,630,069 barrels a day.

A majority of producers appearing before the Commission said there is still an oil glut in Texas and continued restriction is needed to protect the market.

Commission action came in the wake of a declaration by UT's Bureau of Business Research director that oil is no longer king in Texas. Even with foreign import limits, said Dr. John Stockton, supply outruns demand so that production has had to be held down to 8 to 12 days a month for the past two years.

Stockton foresees no improvement. Texas, he said, must develop new industries to bolster its economy or lose out to more dynamic areas.

PARKS SURVEY SET—State Parks Board has announced the Texas Research League will make a study of its operations and reports to the next Legislature.

League is a privately financed, non-profit government research organization which studies state agencies at their own request.

State Auditor C. H. Cavness has recommended the Parks Board hire an auditor to keep track of the receipts from concessions operated in the state parks. Cavness also urged that the next Legislature Council report presented to the 1959 session making recommendations for the continuing, expanding and abandoning of various parks.

Parks Board has designated a new state park, to be known as San Marcos State Park to be located near the proposed Canyon Dam Site on the Guadalupe River.

SCHOOL REPORT CARD—State Commission on School Accreditation has weighed Texas public schools against state standards and found 54 wanting.

Inspection terms recommended disciplinary action against 20 schools and warnings of a need for immediate improvement by 34 more.

If a school loses its accreditation, the work of its students cannot be transferred to accredited schools with full credit.

Commission recommendations will be reviewed by the state Board of Education at the September meeting.

TRAFFIC TOLL CUT—While nationally the drop in traffic deaths for this year is one per cent, Texas has improved by nine per cent.

Texas traffic deaths up to mid-July of this year totaled 1,049, compared to 1,152 for the same period last year.

A veteran highway patrol officer said he believes the new insurance rates, which jump sharply for motorists with accidents or violations on their records, have contributed substantially to the better record.

But radar, he said, had the same effect until people got used to it and became indifferent again.

ADFACTS No. 8

Buying interest in the compact American cars is now running at a high rate. Estimates for 1960 compact car sales are over 2 million units. Newspapers play a dominant role in informing consumers about them. In a recent survey, more people mentioned newspaper ads and/or newspaper stories than mentioned any other single information source.

TEXAS PRESS
ASSOCIATION

Austin, Texas

Dodge Car Sales Show Increase

Detroit—Dodge car sales continue to increase. Retail sales of 12,221 units during the second ten days of July 1960 were 179.7 per cent higher than similar sales last year, M. C. Patterson, Dodge general manager reports.

A comparison of sales figures shows that Dodge has increased its sales for every sales period in the current year.

Retail sales in the second ten days of July 1959 followed the traditional pattern and were only 256 units above the first

ten days. In sharp contrast, the July 10-20, 1960 period showed an increase of 4,093 units for the comparable period.

"We are particularly pleased with the steady increase of Dodge sales, and the increase in sales-per-dealer."

ALL HAMLIN TELEPHONE NUMBERS CHANGE

At 1:01 A.M. on Sunday, August 21

All Hamlin telephone numbers will change at 1:01 a.m., Sunday, August 21, when the city's dial system goes into service.

From that moment, all the numbers in your old telephone directory — numbers you have been calling from memory, numbers you have jotted down somewhere — will be WRONG numbers.

Your new DIAL telephone numbers will be listed in the new DIAL directory, which will be delivered to you before the new system goes into service.

Until the change is made on August 21, please continue to use your present directory. After the new dial system goes into operation, be sure to look up the right number in the new DIAL directory before you call.

HOW TO USE THE NEW DIAL SYSTEM

Suppose you want to call Spring 4-8019:

Place the receiver to your ear, and listen for a steady hum — the dial tone. Place your finger in the dial opening over the letter "S." Pull the dial around until your finger strikes the finger stop. Remove your finger and let the dial spin back

freely. In the same way, dial letter "P" and the figures 4, 8, 0, 1 and 9 in order

When you have finished dialing, you will hear a "burring" sound if the called telephone is ringing. If the line is busy, you will hear a fast buzz-buzz; hang up, and try again after a short wait.

MAIZE HARVEST UNDERWAY IN TUXEDO AREA

Mrs. CLYDE PRITCHARD and Mr. and Mrs. Jim Ashburn and daughter, Mrs. George Finkelsch, of Mayie Springs, Idaho, arrived Thursday to visit relatives. They are his sister, Mrs. Ruth Apperson, and sons John and Dulin, Mr. and Mrs. Ben Ashburn, Mr. and Mrs. Penny Parnell and another sister, Mrs. Mary May of Stamford.

Mr. George Rivers of Stamford and Mrs. Clyde Pritchard also joined this group for a short visit Friday night in the Ashburn home.

The Ashburns started on their journey home Saturday.

Craig Stephens entered the hospital in Stamford Wednesday and returned home Monday.

His parents, Mr. and Mrs. Paul Stephens of Sylvester came to visit him Thursday.

Mr. and Mrs. Clayton Jay and family of Abilene also visited the Stephens Saturday and Bob Stephens returned home with them and accompanied them to the Jay reunion at Buffalo Gap Sunday.

Mr. and Mrs. Curtis Ross and Mrs. J. H. Rivers attended a singing at Rule Sunday afternoon.

Rev. W. E. Richardson and his wife and their son, Kelton, of Irvin visited in the homes of Mrs. Richardson's sons, Sadie England, and Mrs. Eva Tacker and Mr. Tacker a few days this week.

Mrs. Richardson is the daughter of Mr. and Mrs. L. E. Jones and used to live in this community.

Mr. and Mrs. Edwin Tacker went to Wichita Falls this week and to visit in the home of her brother, Percy Jones, and his wife, and to visit with Mrs. Tacker's and Mr. Jones' niece, Mrs. Loy Allen of Harpersville, Miss., who was also visiting in the Jones home.

Mr. and Mrs. Fred Osment and daughter, Leola, spent the weekend with Mrs. Osment's parents and sister, Mr. and Mrs. Ralph Merchant and Jeannie of Abilene.

Guests in the home of Mr. and Mrs. Tom Gilbreath and Sandra a part of this week, were Mr. and Mrs. E. D. Burns and children, Garry and Keith of San Antonio and Mr. and Mrs. Sonny Coleman and sons, Mark and Keith.

The Burns also visited with the Ralph Gilbreath's in Stamford and in the Sonny Coleman's home.

Mary Barbee of Stamford spent Saturday night with Sandra Gilbreath.

Mr. and Mrs. Bennett Walker came from Abilene Sunday night to hear their son, Rev. Benny Joe Walker, preach at the Baptist Church.

Mr. and Mrs. Roy Williams in company with their son, Roy, and wife of Haskell spent the weekend in Ft. Worth and Arlington visiting Mr. Williams three brothers, H. W., John and Joe Williams.

Mr. and Mrs. Royce Williams also visited with her parents who live near Lake Dallas.

Mrs. Rebecca Harwell visited her sister, Mrs. Walter Tubbs and Mrs. Lee White of Stamford Tuesday, both former residents of this community, who were in an Abilene hospital.

Mrs. Roy Scarborough and boys of Abilene and Betty Sue and Mary Lou Amerson of Hamlin were supper guests of Mrs. Harwell Sunday night.

Mrs. Murphy Cantrell of Stamford visited Mrs. Harwell Friday evening.

Jackie Weaver of Stamford spent Saturday night with Sarah Lou Carlton.

Billy June Bennett and Betty Weisner left here Saturday to go to Ft. Worth to spend the night with Billy's sister, Mrs. George Terry, Mr. Terry and son, Kenneth. Mrs. Terry took them to S. M. U. Sunday where they are attending "Cheer Leader School" this week along with other girls from Stamford from Sunday to Friday.

Mr. and Mrs. Walter Stinson of Logan, Ohio, were visitors in the W. C. Carlton home Wednesday. Mrs. Carlton and Mrs. Stinson are cousins and had never met before.

Mr. and Mrs. H. D. Glenn had as their guests last week, Mr. and Mrs. Woodrow Peck of Odessa, Mrs. Jimmie McElroy, Jimmy Jr. and Danny of Abilene and Mr. and Mrs. Bill Glenn, Ronnie, Donnie and Debra of Albany.

The Bill Glenns were supper guests of the Joe Carltons Friday night and lunch guests of the Bill Pritchards Saturday.

Mr. and Mrs. Ewell Amerson of Hobbs, New Mexico were visitors of the Andy Frenches Wednesday and Thursday. They all spent Wednesday night at the Stamford Lake. Mr. Amerson is Mrs. French's brother.

Mrs. Robert James, daughter of Mr. and Mrs. Andy French and Mr. James are now visiting them and they are spending this Tuesday night at the Stamford Lake.

Andy French Jr. went to a watermelon feast and swimming party Monday night of last week given for the football boys.

Mr. and Mrs. Acil Glenn and Mr. and Mrs. Boots Rodgers of Edmonson were here last week for the funeral of Mrs. Mary Hood and also visited with relatives.

Mr. and Mrs. Alvie Wade of Tulsa, were lunch guests of Mr. and Mrs. Oran Brigham and boys Tuesday. Mr. and Mrs. Max Viertell of Albany also visited them. They all are former residents of this community and were here for Mrs. Hood's funeral.

Mr. and Mrs. Wren Jackson of Dickens spent Sunday with Mrs. D. J. Meads.

Mrs. Lola Long visited with her niece, Mrs. Billy Holmes of Anson one day last week, who is in a hospital in Abilene.

Mrs. Leona Creason and boys, sister of Mrs. George Long, and her mother, Mrs. A. S. Buntin, and her brother, A. L. Buntin, all of Hamlin, visited Mr. and Mrs. Long Sunday.

Mr. and Mrs. Fermin Lujan are the parents of a new son, Jimmy, born July 22. He weighed 8 pounds and 13 ounces.

A daughter, Elizabeth Vanette, was born to Mr. and Mrs. Van Graham, July 25. She weighed 4 pounds and 15 1/2 oz.

Proposed CONSTITUTIONAL AMENDMENT NUMBER FOUR ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 8, 1960.

HOUSE JOINT RESOLUTION NO. 6 proposing an Amendment to Section 11, Article XVI of the Constitution of the State of Texas, so as to give the Legislature authority to classify loans and lenders, license and regulate lenders, define interest, fix maximum rates of interest, and provide for a maximum rate of interest of ten per centum (10%) per annum in the absence of legislation setting maximum rates of interest; providing that the rate of interest shall not exceed six per cent (6%) per annum in contracts where no interest rate is agreed upon; providing for the right of appeal and trial de novo in the event any regulatory agency cancels or refuses to grant any permit; providing for the necessary election and the form of the ballots, and providing for the necessary proclamation and publication.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 11, Article XVI of the Constitution of the State of Texas be amended so as to hereafter read as follows:

"Section 11. The Legislature shall have authority to classify loans and lenders, license and regulate lenders, define interest and fix maximum rates of interest; provided, however, in the absence of legislation fixing maximum rates of interest, all contracts for a greater rate of interest than ten per centum (10%) per annum shall be deemed usurious; provided, further, that in contracts where an rate of interest is agreed upon, the rate shall not exceed six per cent (6%) per annum."

JC SUMMER RECREATIONAL PROGRAM ENDS

The summer recreational session for girls ended last week with finals being played in table tennis and badminton.

In the table tennis Judy Jenkins won first place and Mary Elkins was second in the 12-14 age group. In the 15-17 age group, Zoan Winegeart won first and Jennette Jenkins second. Mary Beth Hall received consolation.

In badminton, Judy Jenkins again took the first place, and Kay Hodnett was second with Donna Compton receiving consolation. In the 12-14 age group, Zoan Winegeart was first and Jennette Jenkins second. In the 15-17 age group, Zoan Winegeart was first and Jennette Jenkins second.

For the 15 through 17 age group Jennette Jenkins took the first place in badminton, Mary Beth Hall second and Zoan Winegeart received the consolation.

Ribbons were awarded to the first place winners in all age groups.

Mr. and Mrs. Ira Parker spent a ten day vacation in Washington, New York and other points.

BACK FROM SCOUT JAMBOREE—These boys are pictured just after they left the bus which brought them from Colorado Springs, Colorado Saturday morning. The boys attended the mass camp-out there last week. They are left to right, Mike Smith, Tommy Ferguson, John Poe, Buddy McClung, Charles Prewitt, Pat Batchelor, and in the back is Ed Burnham, staff member of Camp Tonkawa near Abilene.

EDNA FERBER'S "ICE PALACE" COMING TO FERGUSON, DRIVE IN

"Ice Palace" is Warner Bros.' bigscale Technicolor film version of Edna Ferber's novel about the taming of Alaska and the struggle of this great northern wilderness to becoming America's 49th state. Following its serialization in the Ladies Home Journal, the book stayed on the best-seller list for 22

SOIL - CEMENT

Continued from Page one
packed tightly during construction, it does not pound down under traffic or develop soft spots or chock holes. It is capable of bridging over localized weak subgrade areas and is highly resistant to deterioration caused by moisture and weather.

Well-known pavement-design methods used by several state highway departments require thicknesses of soil-cement that are one third to one-half less than the required thicknesses of granular bases carrying the same traffic load over the same subgrade. This means that soil-cement is 50 to 100 per cent stronger inch for inch than other low cost pavements.

At the beginning of 1956, more than 160 million sq. yd. of soil-cement was in service in the United States, including 8,500 miles of roads and 2,700 miles of streets in some 400 cities, towns, and villages. The soil-cement used in 156 air-ports—more than 23 sq. yd.—is equivalent to nearly 2,000 miles of 20 ft. wide highway. One city, San Diego, California, has more than 175 miles.

California, one of the largest users among the states, has built up to January 1956 a total of 56 million sq. yd. of soil-cement—or the equivalent of 4,700 miles of 20-ft. wide highway.

The success of soil-cement construction is assured when three basic requirements are satisfied. They are adequate cement content, proper moisture content and adequate compaction. These requirements are established by simple tests that have been adopted as standards by the American Society of Testing Materials, the American Association of State Highway Officials and the American Standards Association. Recently the tests have been further simplified as a result of continued research by Portland Cement Association.

The basic steps in soil-cement construction are spreading cement mixing and compacting. After the roadway has been shaped to grade and the soil loosened, the required amount of cement is spread. Cement and the necessary amount of water are thoroughly mixed with the soil by means of a traveling mixing machine or by rotary mixers.

The mixed material is compacted by rollers, shaped to the contour and again rolled to obtain a smooth finish. A bituminous material is sprayed on the soil-cement hydration. The pavement is then completed by the addition of a bituminous surface.

Highly efficient machinery now available for soil-cement construction has enabled an even greater reduction of its cost through mass production. Construction of a half-mile to a mile of soil-cement a day is common on average-sized projects.

weeks and thus served to further enhance Mrs. Ferber's reputation as the world's most popular American woman novelist. As was the case for Miss Ferber's "Giant," the studio has spared no expense to make "Ice Palace," which opens Sunday at the Ferguson and Hamlin Drive-In Theatres, a powerful exciting and authentic saga of a young country coming of age. What "Giant" did for Texas, "Ice Palace" does for Alaska.

Exceptional care was exerted to assure right castings for the Ferber characters. The story of the march to statehood by the last great American frontier is told in the half-century-long struggle of two Titans. The Titans are Richard Burton, who as Zeb "Czar" Kennedy, wants to take everything from the country and give nothing, and Robert Ryan as Thor Storm, of Norwegian heritage, whose love for Alaska arouses him to battle for the statehood its people want.

Carolyn Jones, Martha Hyer and Jim Backus also are starred in a cast which includes Ray Danton and two lovely newcomers, Diana McBain and Shirley Knight. Of unusual interest is the casting of the 19-year old Eskimo beauty, Dorcas Brower, from Point Barrow in the Arctic, in the role of Robert Ryan's young native wife.

To insure authenticity of the background, the company spent four weeks in Alaska filming scenes against its primitive grandeur of glaciers, mountains and ice-fields, its salmon-fishing, its canneries and the frontier-faceted cities of Fairbanks and Juneau and the small fishing community of Petersburg on Mitkof Island in the Inland Passage, largely inhabited by Norwegians.

"Ice Palace" is the first big-budget film to be made by a major studio in wide screen and Technicolor on location in the 49th state. Many of the story's characters are identifiable to Arkansas, even though their names have been changed.

U. S. Highway 83 Association Starts Ad Campaign

The U.S.-Canada 83 Highway Association is placing ads in practically all newspapers in all towns along the route from the Gulf of Mexico to the Canadian line in an effort to popularize and stimulate North and South traffic on 83.

In a statement from the national headquarters states, "We believe we must first let our own people who live on 83 highway know that we have a top flight, straight, fast, safe, all-weather, hard-surfaced highway joining the rich vacation lands in the valley of South Texas with the wild, untouched rugged beauty of Canada."

"In between these points it is possible for our travelers to enjoy excellent game bird hunting (in season) in Kansas, Nebraska and the Dakotas. Fishing is fine at Garrison Dam in North Dakota and also near Pierre, South Dakota. For a side trip, visit the Black Hills and Bad Lands in western S. Dakota. See the rolling corn country of Nebraska, the mammoth wheat fields of Kansas, the strip of Oklahoma and the Panhandle of Texas."

City Court Fines Total \$1,309.15 In 3 Month Period

During the three month period just ended the Hamlin City Council collected \$1,309.15 in fines and the Justice of the Peace and County Courts collected \$552.50 in fines.

A report released this week by J. L. McCurdy, chief of police, shows that the local officers made 199 calls and investigations during this three month period ending July 31.

A break-down of the action taken on the calls follows:

Calls and investigations made were 199; cases dismissed, 6; improper parking, 2; speeding, 5; too fast for conditions, 10; thru red light, 6; over stop sign, 4; colliding, 4; no operators license, 13; permitting an unlicensed person to operate a motor vehicle, 3; blocking traffic, 4; improper turns, 5; loud mufflers, 3; driving while intoxicated, 1; drunks, 6; drunk in a car, 1; carrying a prohibited weapon, 2; affray, 3; running a gambler house, 1; gambling, 10; burglary, 7; disturbing the peace, 2; forgery, 1; pilfering of automobiles, 4; and transporting beer for sale in a dry territory, 2.

HAMLIN JC'S TO START PAPER DRIVE

The Hamlin Jaycees are conducting a paper drive to raise funds for a community billboard which will be used to announce community activities as well as Jaycee projects. The sign will be placed in a prominent place and movable letters will be used to spell out coming events.

Area churches who are also having paper drives have been contacted and this will not conflict with them. The Jaycees ask that residents who are now contributing to a church drive to continue to do so.

Pick-up days are the first and third Thursdays of the month. People who have paper to be picked may call 593 or 284.

Mr. and Mrs. Cecil Stokely, Ken and Carolyn of Kilgore visited her sister, Mrs. Gene Harper.

Louis LaBaume and a friend, Forest Smith, of Lubbock visited his mother, Mrs. C. E. LaBaume, over the weekend.

Mr. and Mrs. Bob Craig, publisher and editor of the Hamlin Herald are attending the 30th annual West Texas Press Association Convention in Pecos, August 4, 5, and 6.

Mr. and Mrs. Johnny Crow Jr. are the parents of a daughter born July 31, weighing 8 pounds and 9 ounces. Her name is Darla Denise.

A daughter was born to Mr. and Mrs. Joe M. Roberts of Post. Mary Evelyn arrived on August 1, weighing 6 pounds and 6 ounces.

Mr. and Mrs. Elvin Kelly are the parents of a son. He arrived August 2 weighing 8 pounds and 13 ounces, he has been named Kurt Shannon.

A son was born to Mr. and Mrs. Bill Davis of Hamlin, on July 30. He weighed 8 pounds and 15½ ounces, and his name is Robert Lynn.

Visiting Here

Lt. and Mrs. James M. Barnes, Stephanie and Jim of Fort Bragg, N. C., visited her parents, Mr. and Mrs. A. C. Tidwell last week.

Lt. Barnes is scheduled to sail for Germany August 8. Mrs. Barnes is the former Vera Tidwell and she and the children will stay with her parents until they can join Lt. Barnes in Germany.
